FOR APPROVED CANDIDATES

Independent Campaign Agent Terms

These terms are for approved candidates only. They keep the campaign clear: independent status, verified users only, no false promises, no payment collection, no duplicate or fake accounts.

1. Parties

Company: Alpha Libra LLC. Campaign Agent: the person named and accepted in writing by Alpha Libra for this programme.

2. Independent Status

The Campaign Agent is an independent participant, not an employee, officer, director, legal agent, payroll staff member, tax advisor, immigration advisor, betting advisor, or official representative of Alpha Libra.

3. No Authority

- The Campaign Agent may not sign contracts, collect money, approve discounts, create official pages, bind Alpha Libra, or present themselves as staff.
- The Campaign Agent may use only approved messages, links, codes, flyers, and brand descriptions.

4. Verified User Standard

A user counts only after Alpha Libra approves the user as real, unique, tracked to the Campaign Agent, signed up to at least 2 priority brands, and obtained through honest non-spam outreach.

5. Payout

Milestone	Approved users in one 30-day cycle	Payout
Fallback	300	NGN 30,000
Full	450	NGN 50,000
Top-up	300 first, then 450 in the same cycle	NGN 20,000 additional only

There is no salary, retainer, joining fee, recruitment bonus, data allowance, transport allowance, airtime allowance, or guaranteed income.

6. Reporting

Daily and weekly reporting may be required. Missing, false, late, or unverifiable reports can delay or cancel payout approval.

7. Prohibited Conduct

- No fake accounts, duplicate accounts, bought users, forced signups, spam, harassment, or misleading outreach.

- No promises of jobs, guaranteed income, visas, official tax outcomes, betting wins, investment returns, app approval, refunds, or benefits not approved in writing.
- No targeting minors for Miraluc or any age-sensitive content.
- No misuse of user data, private documents, internal screenshots, or trackers.

8. Data And Privacy

The Campaign Agent may collect only the information Alpha Libra requests for campaign verification. User data must not be sold, posted publicly, or reused for unrelated purposes.

9. Termination

Alpha Libra may remove a Campaign Agent immediately for fake users, false claims, spam, data misuse, brand misuse, payment collection, harassment, illegal conduct, missed reports, or other risk.
