COMMERCIAL GUARDRAILS

Partner Commission And Compliance Rules

These rules protect partner trust and Alpha Libra's margins. They apply before any partner, creator, ambassador, or introducer is approved for payout.

Main Commercial Rule

Discount plus commission limit

Customer discount plus partner commission should not exceed 25 percent unless Alpha Libra approves a written exception. Commission is calculated after discounts, payment/provider fees, tax/VAT, refund or chargeback reserve, and material delivery costs where relevant.

Indicative Commission Ceilings

Brand / product	Possible commission ceiling	Important limits
Tripnovac Agency Growth	Up to 20 percent month 1 for approved closers; up to 10 percent months 2-6.	Applies to net collected revenue. No lifetime commission. Annual prepay commissions are paid quarterly.
Tripnovac Agency Pilot	Usually up to 15 percent month 1.	May be reduced where a launch discount is active.
EZTaxNG Professional / Enterprise	Up to 15 percent month 1; up to 5 percent months 2+.	No commission on Free or Starter plans.
Mami African Hub	Approved rate based on platform revenue/cut.	No commission on gross marketplace GMV.
Miraluc	Revenue commission paused until retention and risk data are reviewed.	No gambling claims, minors, guaranteed wins, or official affiliation claims.
Strategic / HNI introductions	Case-by-case only.	Founder approval required before discussing any success fee.

No Payout List

- No payout on taxes, processing fees, refunds, chargebacks, discounts, free trials, internal tests, demo accounts, unpaid invoices, unattributed revenue, or gross marketplace GMV.
- No payout for recruitment, downline activity, joining, spam, fake leads, or unapproved posts.
- No payout for introductions where the commercial value was not approved and tracked.

Compliance Rules

Do not claim
