PATHWAY B

Global Revenue Partner Programme

This programme is for people and organizations that can create verified commercial value for Alpha Libra through B2B sales, referrals, content, ambassadors, association access, or strategic introductions.

Programme Types

B2B commission sales partner

For people who can help convert travel agencies, SMEs, vendors, or paid customers into pilots or subscriptions.

Referral partner

For people who can refer warm users, businesses, agencies, vendors, or creators through tracked links and forms.

Creator / influencer partner

For creators who can publish honest, compliant content that drives tracked signups, demos, paid users, or approved deliverables.

Ambassador / strategic introducer

For people who can open serious local market access, association conversations, group demos, funder introductions, or enterprise buyer relationships.

Priority Brands

Brand	Best partner angle	Claim guardrail
Tripnovac	Travel agencies, tour operators, visa/document consultants, corporate travel, student travel, and agency workflow.	Do not promise migration, revenue, or agency results before review.
EZTaxNG	Nigeria SME tax-readiness and workflow support.	Do not claim official government filing, clearance, penalty removal, or guaranteed tax outcome.
Mami African Hub	African vendors, creators, community commerce, and marketplace visibility.	Partner payout is based on platform revenue/cut, not gross marketplace value.
Miraluc	Responsible entertainment and insight community growth only.	No gambling claims, minors, guaranteed wins, or official lottery affiliation claims.

How Partners Earn

- Verified collected subscription revenue.
- Paid pilots and approved commercial outcomes.
- Approved creator deliverables with tracked performance.
- Approved association, community, or event outcomes.
- Founder-approved strategic introductions where the value is clear before any success fee is discussed.

Core rule: Partners are paid from verified value. There is no joining pay, no downline pay, no salary, no payment for fake leads, and no payment for unpaid invoices.

Simple Timeline

Stage	What happens	Output
Screening	Partner submits route, audience/network, first targets, and conflict/safety notes.	Approved or declined partner path.
Setup	Alpha Libra issues approved copy, tracking route, and allowed brand scope.	Partner ID, target list, approved message angle.
Execution	Partner sends outreach, content, referrals, or introductions with tracking.	Tracked leads, demos, paid outcomes, or approved deliverables.
Reconciliation	Alpha Libra reviews collected revenue, deductions, refund windows, and attribution.	Approved commission or written outcome decision.
