

Alpha Libra LLC

AI products, travel tech and practical growth systems

HIRING NOW

TRIPNOVAC PRODUCT QUALITY ROLE

Country Data & Product QA Support

Help verify official travel and visa data, test Tripnovac workflows, document issues clearly and support demo readiness.

Good fit if you can:

Research carefully

Use official sources and avoid assumptions.

Document clearly

Summarize what was checked and what needs fixing.

Test workflows

Move through product screens and report issues.

Work with discipline

Deliver steady weekly verification progress.
